I am going to do something for you that when finished you are going to say, TOM, had I known what I was going to learn from you I would have paid you \$200! So now I want you to call me at 610-331-3863. So I can address any questions you may have! Why? Because I sent out over 1,200 emails to Women in the Delaware Valley! AND IF YOU WAIT, WE MAY SELL OUT THE ENTIRE SEMINAR IN TEN DAYS.

The program will take place at the Maennerchor Club at 920 Haws Ave. Norristown, PA 19401. There is Parking for all! The Seminar will start at 7:00 PM. My fee is \$25, call me today to make a reservation. Ancestry charges \$133.00 for the same info!

It's also, for your Children, your GRAND CHILDREN AND GREAT GRANDCHILDREN. Don't you want them to know about your Roots. Don't you want them to know who you were and what you did? When did you buy your first TV? When did you buy your first car? Why did you marry the person you did! What values did this person have? Did you admire them so much you married them? People all the time ask me Tom what do you do for a living!? I tell them that I giftwrap Rolls Royce's. They don't believe me! Then I tell them to go to;
www.thomascatanese.com. Scroll down to the Pink Rolls Royce! Click on the arrow. My video will play. You will see all of the Hollywood Fantasy Gifts that I have designed since 1980!

Once on my Website, you will see nine photos. Each photo is a Video. My mother's Video is top center! Now Youtube will only give me about 7 minutes. But this video will show you just how I was able to create her Family Video! Below my Mother's photo is Robert Mondavi. was America's Wine Godfather in Napa Valley. In only 35 years he sold over \$800 Billion dollars of Wine. He had a roller coaster life! He was a friend of mine. I have been in the Wine Business for over 40 years. I am also America's Wine Gift Basket Godfather. Google that term! I will come up #3, out of 1,000,000 replies The Mondavi's Video will be the perfect example for you to view! Because you will see how I use only one photo at a time. Using only a single photo you can make your own Family Heritage Video. That is what I am going to show you! I have some very funny stories to tell you. Be sure to bring a pen & pad.

In 1987 the Sony Corporation invented the Video Camcorder. This invention gave the average person the ability to create their own Family Heritage History Video. My upcoming Family Video Seminar will show you how you can create your Families Video using these Photo's in your Family's Photo Albums.
